Web Developer · Mumbai, India

What I build for you

WordPress websites
Business sites built with Elementor Pro — responsive and easy for you to update.

Shopify & WooCommerce stores
Online stores with clean product catalogs and a smooth checkout.

Speed & technical SEO
Indexing and SEO health with Rank Math, Search Console and GA4.

Website rebuild (clone)
Your existing website rebuilt page by page — content included.

TOOLS I WORK WITH

WordPress · Elementor Pro · Shopify · WooCommerce · Rank Math SEO · Google Search Console · Google Analytics 4 · HTML · CSS · JavaScript · Bootstrap

More products or a custom feature? Ask for a quote.

Monthly maintenance →

WORDPRESS & SHOPIFY

Monthly maintenance plans

Keep your website updated, backed up and secure — while you focus on your business.

Essential

₹2,499 / month

Peace of mind for a small business site.

- Core, theme, plugin & app updates
- Weekly backups
- Security & uptime monitoring
- 1 hour of small edits
- Reply within 48 hours

Growth

₹4,999 / month

For sites and stores that change often.

- Everything in Essential
- Daily backups
- 3 hours of edits & content updates
- Monthly speed check & fixes
- Monthly report
- Reply within 24 hours

Pro

₹7,999 / month

Hands-off care for busy stores.

- Everything in Growth
- 6 hours of edits, incl. product uploads
- SEO health check (Search Console & GA4)
- Priority support — same-day reply

Additional work beyond the included plan hours is quoted separately.

Not included: hosting, domain, Shopify plan, and paid plugins, themes or apps.

Let's build your website.

Need something custom? Ask for a quote — I usually reply within a day.
